WORK EXPERIENCE

Zaxby's | Cook

February 2023 – Present

- Trained and onboarded new employees, improving efficiency.
- Managed multiple orders under high-pressure conditions with accuracy.
- Developed teamwork and problem-solving skills in a fast-paced environment.

PROJECT EXPERIENCE

Media Web Application - [Link](#)

React.js, TypeScript, Firebase

- Developed a responsive web app enabling user registration, authentication, and image sharing using Firebase Auth and Firestore.
- Implemented user posting, image uploads, and comment functionality with real-time updates.
- Followed modern React development patterns using hooks and reusable components.

Game Finder - [Link](#)

React.js, JavaScript, RAWG API

- Developed a web application that retrieves game data from the RAWG API, including game titles, ratings, platforms, and descriptions.
- Implemented dynamic search functionality with input filtering to allow users to quickly discover and explore games.
- Designed a responsive UI and integrated RESTful API calls for real-time content display.
- Applied asynchronous JavaScript and error handling for smooth data fetching and user experience.

Portfolio Website - [Link](#)

HTML, CSS, JavaScript, Three.js, GitHub Pages

- Designed and deployed a personal developer portfolio showcasing projects, skills, and contact information.
- Implemented background animations using Three.js and Blender models for visual appeal.
- Ensured cross-browser compatibility and mobile responsiveness through modern CSS practices.
- Deployed live site using GitHub Pages, integrating project links and GitHub repositories.

HONORS & INVOLVEMENT

- President's List (Fall 2023, Spring 2024)
